

IZEL LEVI

TECHNICAL DESIGNER

izellevi@gmail.com | izellevi.com | linkedin.com/in/izel-levi-ab8377144

WORK EXPERIENCE

Technical Designer, Gunzilla Games

Apr 2023 - Oct 2025

- Owned, designed and scripted player character and gameplay system prototypes in UE5, accelerating iteration and validating gameplay mechanics early.
- Developed and implemented cyberlimb abilities with animators, programmers, SFX, and VFX, improving playtest satisfaction by 20% and combat responsiveness.
- Implemented UE5 multiplayer replication systems, ensuring accurate server-client functionality and reducing desync issues.
- Optimized UX/UI for player abilities and 3C features, increasing player comprehension and usage by 25%.
- Streamlined milestone delivery by prioritizing tasks and coordinating teams, accelerating production timelines and improving completion.
- Authored design documentation and feature specifications, reducing implementation errors by 30% and enhancing cross-team collaboration.

Game Designer, Fernvaille

Aug 2021 - Oct 2022

- Designed character and combat mechanics aligned with battle royale rules and feature constraints, supporting balanced, competitive gameplay.
- Iterated and optimized player abilities for multiplayer balance, improving combat clarity and overall player experience.
- Authored clear design documentation defining gameplay systems and mechanics, enabling efficient implementation across cross-disciplinary teams.
- Researched and implemented VR movement and ability interaction methods, improving player comfort and usability across multiple level types.

EDUCATION

BA Digital Game Design & Development

Sep 2018 - Aug 2022

Bahçeşehir University

- High Honor Student
- ApplyBAU Scholarship

BSc Electrical and Electronics Engineering

Oct 2015 - Sep 2017

Tel Aviv University

- Studied on Object Oriented Programming with Python and C

SKILLS

- **Software:** Unreal Engine, Unity, Autodesk Maya, Blender, Adobe Photoshop
- **Programming Languages:** C++, C#, C, Unreal Blueprint, Python
- **Languages:** English (C1), Turkish (Native), Spanish (A1), French (A1)
- **Achievements:** Featured article on Machinations (Creating an Interactive Endless Runner)
